

2 important questions to review with any consumers interested in Medi-share.

Q. What is Medi-share?

A. Medi-Share is a healthcare sharing ministry where members share each other's medical expenses. Members of Medi-Share have a God-honoring choice for their healthcare and although not insurance, Medi-Share is acceptable under the law.

Q. How does the claim (and sharing) process work (is this insurance)?

A. Members do not file claims, nor does the ministry handle claims because we are not an insurance company. If your eligible medical bill is paid, it is paid with funds received directly from another member. Our members present their member ID card to their service provider. The service provider then discounts the bill accordingly, if within the Preferred Provider Organization network. The bill is then sent to us where we negotiate for further discounts. Here, we review the services provided to determine if the bill is eligible for sharing. After the AHP has been met and if the bill is eligible, it is eligible for sharing among the other members. For more details on what is eligible and how the AHP works, please review the Guidelines.
